

Charter Education

Professional Development and Education for Healthcare

We offer a range of scheduled events and onsite courses.

Our qualified educators are clinical experts in their fields with a proven history of delivering high quality courses

ECG Training

ECG courses are available for Nursing and Medical Professionals at all levels.

There is a comprehensive two-day **ECG workshop**, an **ECG update** and an **Advanced Course**.

We also offer an **introductory ECG course** specifically aimed at HCA's and students.

One or two day workshops are scheduled throughout the year.

From £80 per person
